## Experience

### **COMPUTER SALES ASSOCIATE, BEST BUY, LEXINGTON, KY. 2011-2012**

Being a computer sales associate fueled my desire to start wanting to learn programming and web development.

### **CUSTOMER CARE REPRESENTATIVE, ACS, LEXINGTON, KY. 2012**

Provided technical phone support for iPhones, and iPods. Further being around technology increased my desire to learn coding.

### **RAILS ENGINEERING, THE IRON YARD, ATLANTA, GA. JULY 2014 - OCTOBER 2014**

Three month intense coding bootcamp designed to cultivate Ruby on Rails Developers. 60-80 hours per week, the course promoted the ability to teach yourself how to learn. An Amazing Experience.

## Skills

**Back End** - Ruby, Ruby on Rails, RSpec, Sinatra, Mandrill, Capybara, PostgreSQL, Amazon Web Services, Devise, Stripe

**Front End** - Sass, JQuery, Bourbon, Bootstrap, AngularJS, Javascript, Angular UI, HTML, CSS

**Workflow/Tools** - Git, Vim, Scrum, Github, Heroku, Mac OSX, Bitbucket, Chrome Developer Tools
