Experience

COMPUTER SALES ASSOCIATE, BEST BUY, LEXINGTON, KY. 2011-2012

Being a computer sales associate fueled my desire to start wanting to learn programming and web development.

CUSTOMER CARE REPRESENTATIVE, ACS, LEXINGTON, KY. 2012

Provided technical phone support for iPhones, and iPods. Further being around technology increased my desire to learn coding.

RAILS ENGINEERING, THE IRON YARD, ATLANTA, GA. JULY 2014 - OCTOBER 2014

Three month intense coding bootcamp designed to cultivate Ruby on Rails Developers. 60-80 hours per week, the course promoted the ability to teach yourself how to learn. An Amazing Experience.

Skills

Back End - Ruby, Ruby on Rails, RSpec, Sinatra, Mandrill, Capybara, PostgreSQL, Amazon Web Services, Devise, Stripe

Front End - Sass, JQuery, Bourbon, Bootstrap, AngularJS, Javascript, Angular UI, HTML, CSS
