Experience

RAILS ENGINEERING, THE IRON YARD, ATLANTA, GA.   JULY 2014 - OCTOBER 2014

Three month intense coding bootcamp designed to cultivate Ruby on Rails Developers. 60-80 hours per week, the course promoted the ability to teach yourself how to learn. Able to adapt to any situations on the job.

IPHONE TECHNICAL SUPPORT, ACS, LEXINGTON, KY. 2012

Being able to help discontent customers find a solution gives me a benefit of keeping composure when dealing with clients.

COMPUTER SALES ASSOCIATE, BEST BUY, LEXINGTON, KY. 2011-2012

Sales taught me the value of listening to people. An invaluable skill when working with teammates and using feedback to fix issues.
